

Breakfast Menu 2022-2023

The Details

Dietary allergies / restrictions can almost always be accommodated if we know about them in advance.

Our breakfast options provide the amount of foods we feel will serve your numbers. Leftover foods are yours to keep and we will provide instructions on safe food handling if you wish to reheat or eat them later in the day.

Breakfast is included with a Main Lodge Reservation.

In addition to the charge per person, **5% GST is added onto the final invoice.** We require final confirmation of numbers, menu choices and payment 7 days prior to the day.

Menu Options

All breakfast options include tea, coffee, orange juice, a selection of cereals, freshly baked breads and preserves and mixed berry parfaits with lodge granola.
